

3M™ Scotchkote Electrical Sealer

Fast drying sealant and bonding compound, Scotchkote Electrical Coating, provides a moisture and corrosion-resistant layer of flexible coating for problem areas on vinyl tapes. Protects from the elements. The coating comes in a 15 fl. oz. (443 ml) brush top can.

Product Number	Description
B2264	3M™ Scotchkote Electrical Sealer

3M™ Insulating Spray Sealer

Insulating Spray Sealer is a clear electrical grade, fast drying, enamel sealer and insulator. The Sealer is used over insulation on splices, or as a general purpose sealer. It protects surfaces against weather, moisture, corrosion oil, alkalies and acids.

Product Number	Description
B2265	3M™ Insulating Spray Sealer, 16 fl. oz. (473 ml)

3M™ Silicone Lubricant Spray

Silicone Lubricant inhibits rust and corrosion, resists moisture, and reduces friction when cutting tools are used. This product is a silicone polymer, contains no petroleum oils, and is temperature stable from -28°F (33°C) to 350°F (176°C)

Product Number	Description
B2266	3M™ Silicone Lubricant, 21.5 fl. oz. (636 ml)

3M™ 5-Way Penetrant

Designed to penetrate, lubricate, displace moisture and protect electrical apparatus. Prevents rust and penetrates to free rusted or frozen bolts, nuts and controls.

Product Number	Description
B2267	3M™ 5-Way Penetrant, 5.5 fl. oz. (162 ml)
B2268	3M™ 5-Way Penetrant, 23 fl. oz. (680 ml)
